Eileen,

I can be available that day. Is it possible to push for just a bit more time with the senator?

Michael

Subject: Allied Tour Part 2?

Hello –

So Senator Stabenow's office just called and requested a tour of Allied Landfill (which if you recall we offered to both Senator's staffs.)

Senator Stabenow has 45 min -1 hour on July 1 at around 1:15 p.m. The Mayor may also come. She is not looking for more time than that and she is not interested in inviting press, which she will share with the City. I believe she may have other press events in the area, so she is not interested in coverage for the tour. She does not mind keeping the tour smaller (say just RPM and myself) but that's up to us.

I asked her about inviting Senator Levin as well, so that our staff is not tromping out there every week and she is checking on that. I think the concern is that if Senator Levin comes he would want to make it a press event.

So what are your thoughts? Can we swing something on July 1?

Thanks,

Eileen
